CENTER**

2024 *Annual Report*

A Note from THE EXECUTIVE DIRECTOR

Dear Friend,

For almost 20 years, Pregnancy Care Center has been faithful to the mission God placed on Pastor Roger Storm's heart: Help women facing unplanned pregnancies choose life — and give their children a future filled with hope, love, and the life-changing power of Christ.

The year 2024 will be remembered in Arizona for the heartbreaking passage of Prop 139. This amendment to our state constitution gives abortion providers leniency to perform life-ending procedures up to 40 weeks. While we were deeply grieved by this outcome, we were encouraged by the volunteers who stood up with courage and conviction to defend life in our state.

Even in the face of this loss, our mission and resolve remain stronger than ever.

God also answered prayers in a powerful way — providing our new Clinic Manager, Kristen Lehoczy. Already an experienced NICU nurse, Kristen, dove into additional NIFLA training to strengthen her expertise in fighting for the unborn. Every day, Kristen brings a new level of wisdom, knowledge, and depth as she steps into medical conversations with our clients.

The need in our community continues to grow and your support ensures every mother is equipped with true options, Christ-centered guidance, and tangible resources she needs to bring new life into the world. PCC is 100% donor funded, so know that your gift provides a power statement for LIFE in our community!

Your gift is more than a donation—it is a declaration of hope and God's love!

CLIENT TESTIMONY

Becky was traveling 13 hours to the U.S. for a friend's wedding – and she was carrying unwanted baggage. She had discovered she was unexpectedly pregnant and was searching online for a quick fix to her problem—and her search led her to the Pregnancy Care Center website.

Through the Infinite Worth nurse chat on the website, Becky connected with our team. Even though Becky would only be in the U.S for 48 hours, the staff was able to fit her into the schedule. That same day, Becky received a pregnancy test and ultrasound. On the screen, she saw her six-week-old baby—what she had thought was unwanted baggage was a precious life.

Our medical team shared the dangers of taking the abortion pill, especially while traveling, and encouraged her to slow down and consider her decision carefully. Our client advocates came alongside her with wisdom, compassion, and the hope of the Gospel.

That day, Becky not only chose life for her baby, but also found new life in Christ. She joyfully professed her faith and committed to carrying her baby.

Becky returned home just 48 hours later—now carrying the love of Jesus and the hope of new life back to her community, more than 13 hours away in another country. God went to great lengths to bring Becky to PCC, and He is using your generosity to make stories like hers possible.

God goes to great distances to draw hearts to Him—and through your partnership, lives are being saved and transformed.
