

2025 Impact Report

Free care because we care

Vision

That every client is loved, cared for, and equipped.

Mission

To demonstrate God's love by providing FREE compassionate care before, during and after pregnancy

What We Do

Free confidential services we provide in our center and the medical mobile unit include:

- *Pregnancy Test*
- *Ultrasound*
- *Options Counseling*
- *Spiritual Discussion*
- *Fatherhood Support*
- *Prenatal & Parenting Classes*
- *Abortion Recovery Program*
- *Referrals for Medical & Community Services*

Client Story

Faith over Fear

The client found PCC online while searching for the abortion pill, sharing, "I'm so overwhelmed" and **"I'm just really scared."** She was homeless and her past was filled with trauma and pain. Her present felt heavy with fear. She was not equipped to care for herself, let alone a baby. Her plan was to have another abortion as soon as she could access the abortion pill.

The Infinite Worth nurse team online, along with PCC staff and Client Advocates, met her with clarity, compassion, and care. They took the time to listen, to answer her questions, and to walk her through her options. At the end of her appointment, she was presented with the Gospel and **she chose Jesus!** In that moment, the weight of fear began to lift.

Just one month later, she shared an incredible update with the team. **She chose life for her baby,** connected with an OBGYN, secured a new job, and moved into her own apartment. She also began attending a Bible study called "Faith Over Fear" at a local church with friends.

She shared that when she first came to PCC, she believed abortion was her only option. Now, **she is in awe of how God has provided for her** every step of the way. Praise God!

From the CEO

Momentum, Clarity, and the Road Ahead

It is a privilege to step into this role at such an exciting time in the life of this ministry.

Your generosity and support helped lay a strong foundation to build upon. Your support this past year helped us to provide care and compassion, in such a way that **54 abortion determined women changed their minds and chose life for their baby, stepping into motherhood**. That is 24% more than in 2024, and we pray that number continues to rise as we reach abortion determined women in the Valley.

We have clear focus as we look to the future. **Expand access** through mobility and increase the number of communities we serve. **Deepen our educational programs**, offering Parenting and Prenatal classes to our Spanish speaking clients so even more parents feel equipped and confident. We are committed to offering all services at no cost, ensuring that **finances are never a barrier to making a choice for life**.

Behind every number is life uniquely crafted by our Creator. Each client has a story, and we are thankful to be able to intersect their story with tangible and eternal hope.

As we look forward to the next 20 years of providing compassionate care to our community, we hope you will continue to pray, serve, and give generously, ensuring women in Arizona always have a hope and a future for their child.

Thank you for your generosity and for continuing to walk with us. Your partnership is what makes all of this possible.

Dan Lynch

Chief Executive Officer
Pregnancy Care Center

From the COO

Acceleration, Transition, and Growth

It has been a tremendous joy to participate in the great work God is doing at PCC. In 2025, it was clear God had us accelerating, with the outpour of new volunteers, transition to new CEO, and the increased church engagement (most since opening in 2007), due to the expansion into new communities with the new ICU Mobile Unit.

The launch of our ICU Mobile Unit, Esther Naomi, was a defining moment. Many of you prayed with us, gave generously, and stood beside us at the commissioning ceremony. That investment is already making a big impact in communities like Maricopa. **We are excited to share that the first ICU client had a healthy baby and continues to stay connected to our team.** We reached her together - thank you!

At the Chandler location, the need for life affirming care continues to grow. Parents are returning week after week for prenatal and parenting classes, to learn and find meaningful connection. Fathers are stepping into leadership through our growing Fatherhood Program, learning what it means to lead their families well.

We remain committed to sharing the love of Christ at every opportunity. Because of your generosity, clients are not only receiving services but experiencing hope that reaches far beyond their immediate circumstances.

This past year also marked an important transition to a CEO leadership. **Dan Lynch on-boarded through the end of 2025, so we hit the ground running in 2026**, energized as we look to what God has for PCC in the future.

Thank you for supporting LIFE with your time, talents, and gifts. Your support continues to be a powerful declaration of life, hope, and the love of God in our community.

“

I felt very nervous before coming in today but I am happy I came. Everyone was very helpful and comforting and educated me on all my options. Very grateful.
